16 September 2022

Dear Mr Beardmore

Thank you so much to everyone at Penguins Against Cancer for the wonderful donation of £3,000.00 proposed by Sarah Hill in loving memory of Vicky MyBurgh and for supporting the work of Woking & Sam Beare Hospice and Wellbeing Care. The generosity of your Charitable Trust Foundation in commemorating Vicky's life will make a difference to people struggling to cope during the most difficult time in their lives. Please do thank Sarah on our behalf and our thanks also go to your amazing Peleton Riders cycling from Guy's Hospital Tower to the Eiffel Tower - what an amazing achievement!

Our Appreciation & Bequests Manager, Emma, would like to invite yourself and Sarah for a coffee in our Hospice Garden Retreat café enabling Emma to thank you personally, find out more about Vicky and give you the opportunity to have an insight of our Hospice .

Our medical team, care staff and volunteers really do appreciate that the local and wider community values and supports them. The Hospice depends on personal generosity and kindness so that we can provide our vital services to those who need all the help we can give.

Thank you once again for your very kind gift - it is really appreciated and will be put to very good use enabling us to continue providing our palliative care which covers the Wellbeing Centre, bereavement support, on the ward and in the home specialist nursing care to name but a few of our services.

Warm wishes and Kind regards

Sylvia Lang
Appreciation & Bequests volunteer
