Kicking Cancer Into Touch!

Dear Princess Alice Hospice,

We enclose a grant for **£5,000** from Penguins Against Cancer (PAC) to you, to be used to provide palliative care in your excellent institution. This is in addition to the £5,000 grants made to you by PAC in July 2021 and Apr 2019, and the £1,000 grants in January and July 2014, and July 2015.

PAC is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. PAC is staffed entirely by volunteers and has no running costs.

This latest grant, proposed by Geraint Thomason, was made possible following the recent Bermondsey to Bruges sponsored cycle ride by the Penguin Peloton of 28 riders, ranging in age from 16 to 61, which raised over £50,000 for PAC.

Further detail is available at our website: www.penguinsagainstcancer.org.uk under 'Events'. Please visit it and let us know what you think.

Please acknowledge receipt of this letter and let us know how the money is to be spent.

Best Wishes and Good Luck with the superb work you do.

Yours sincerely
