20 December 2016

Dear Dr Beardmore

On behalf of all of us at St Wilfrid's Hospice I would like to once again thank you and the fellow members of Penguins Against Cancer for supporting the hospice. The additional £4,000.00 is very gratefully received.

All our services are delivered free and our latest figures show that during 2015/16 we were able to care for over 1,000 patients throughout our local area who are living with a terminal illness. It costs just over £11,800 per day to run St Wilfrid's Hospice and the NHS fund only 25% of this. As you can see your entire donation covers a complete day at the hospice.

I will be contacting Andrew to arrange for a cheque presentation.

Many thanks again, your support is much appreciated.

With every good wish for Christmas and the New Year,

Christine Clark
