Dear Officers, Trustees and Members of Penguins Against Cancer,

Thank you for your donation of £5,000.00 to fund palliative care within the Hospice and our At Home Hospice Care. This will make a real difference to the lives of terminally-ill people living in the Merton and Sutton communities.

We know just how hard it is for everyone at the moment, but especially for organisations such as yours with enormous pressure on limited funds, so it's truly heart-warming to receive this donation. Each act of kindness helps us continue providing exceptional hospice care by supporting families at the most difficult time of their lives, whenever and wherever they ask for our help.

Thank you on behalf of all our patients, families, staff and volunteers for standing alongside us when it matters the most. We really do appreciate your support and generosity.

Kindest regards

pp.
