Kicking Cancer Into Touch!

Prostate Cancer UK 4th Floor
The Counting House
53 Tooley Street
London
SE1 2QN

28th January 2019

Dear Prostate Cancer UK,

Please find enclosed a cheque for £1,000 from Penguins Against Cancer (PAC) to assist you with funding research into prostate cancer treatment. The grant was proposed by Ben Challacombe, a Urology Consultant at Guy's Hospital, and Charlie Beardmore, the PAC President. It was made possible by some excellent fundraising efforts by our supporters, not least Alisdair Rigg and the King's Lacrosse team students, who provided a significant proportion of the money.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. PAC is a registered charity and has no administrative or running costs. It draws its membership from a wide cross-section of students, healthcare and other professionals and retired altruists. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

This grant is in addition to the £2,627 which PAC provided to you in December 2016 and the £2,000 provided in January 2014. We would be most grateful if you would write back to us confirming receipt of the grant, and indicating how it will be spent in funding research.

We wish Prostate Cancer UK every success in the excellent work you are doing to defeat this dreadful disease.

DARE QUAM ACCIPERE

With Very Best Wishes

A handwritten signature in blue ink, appearing to read 'Pat Gush', with a stylized flourish at the end.
