Dear Bowel Cancer UK,

Please find enclosed a cheque for £1000 as a donation to you, from Penguins Against Cancer, a small charity set up to support cancer research and treatment, and hospices. This donation has been made possible following the extraordinary generosity of Mr Bill Hogan, one of our members and benefactors, who sponsored the Scanlan Memorial Cup rugby match (Penguins XV versus Guy's Hospital Students XV) held yesterday (which incidentally the Penguins won convincingly).

We wish you every success in your ongoing vital work to make significant advances in diagnosis, investigation and treatment of bowel cancer.

I would be grateful if you would confirm receipt of this letter.

Yours sincerely

Charlie Beardmore, on behalf of:

Officers, Trustees and Members of Penguins Against Cancer
