Dear Charlie,

**Thank you for supporting Breakthrough Breast Cancer**

Thank you so much for your generous donation of £1,000.00 which we were delighted to receive and I understand was as a result of fundraising with your Company. Your hard work and commitment means we can keep making a real difference to the lives of people affected by breast cancer. On behalf of everyone at Breakthrough Breast Cancer, please extend our thanks to all those who helped make your fundraising possible.

**Making the difference**

Today, 32 women – our wives, daughters, mothers, sisters, loved ones and friends – will die from breast cancer. That's an agonising 1,000 women a month and 12,000 loved and needed women every year. Breakthrough Breast Cancer is the UK's leading charity dedicated to stopping women dying from breast cancer. We will achieve this this by finding new treatments, discovering the causes, promoting early detection and ensuring the best possible care for women diagnosed with the disease. Our breakthroughs are made by funding 25% of the breast cancer research happening in the UK right now, campaigning to ensure survival rates are among the best in the world, and educating all women to recognise the signs and symptoms of the disease.

We really can't thank you enough for your support of Breakthrough; as a charity funded almost solely by it's supporters and events like yours, we literally couldn't do our work without you. If you would like any further information about our work and how you can continue to support our fight to stop women dying from breast cancer, please get in touch.

With huge thanks and very best wishes,

**Malina Szepter**
