*Kicking Cancer Into Touch!*

28<sup>th</sup> April 2019

Dear St. Christopher's,

We enclose a grant of **£5,000** from Penguins Against Cancer to you, to be used to provide palliative care in your excellent institution. This is in addition to the £5,000 we sent you in November 2017, the £1,000 we sent you in July 2015, and the £2,000 we sent you in September 2014.

Penguins Against Cancer is a registered charity whose aim is to raise awareness of cancer, and make grants to support cancer research, treatment and hospices. We continue to stage numerous sporting and social events with the aim of making altruism fun. The enclosed grant, proposed by Pat Gush, is in memory of Neil McNair and was made possible by the extraordinary generosity of, amongst others: Charlie Gush, Jane Gibson (running in the London Marathon), Louise Aaron, Ben Thorpe, Jamie Jackson and Ben Challacombe.

Our ageing, yet timeless, rugby team will shortly take on the might of the Guy's Hospital Rugby Football Club 2<sup>nd</sup> XV, in the annual contest for the Scanlan Cup, in memory of Paul Scanlan who was taken from us at too young an age. It is traditionally a hard-fought, yet friendly, encounter, pitting youth and exuberance against gnarled experience and gamesmanship. The Penguins are the current cup holders. Further detail on the Penguins can be found at [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) - please visit it and let us know what you think.

We would be most grateful if you would acknowledge receipt of this letter and let us know how the money will be spent.

Best Wishes from all the Penguin flock and Good Luck with the superb work you do.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Pat Gush', with a stylized flourish at the end.

**Charlie Beardmore**  
President

**Pat Gush**  
Vice President
