Dear Jonathon

On behalf of everyone at Teenage Cancer Trust, I would like to thank you for all the time and effort you put into training, fundraising and taking part in the Le Grand Depart, Tour de France. Hopefully any aches and pains are long settled and you have fond memories of the experience.

### **Congratulations on raising a fantastic £2658.38!\***

Teenage Cancer Trust is the only UK charity dedicated to improving the quality of life and chances of survival for the seven young people aged 13 to 24 diagnosed with cancer every day. We fund and build specialist units in NHS hospitals and provide dedicated staff, bringing young people together so they can be treated by teenage cancer experts in the best place for them.

We are not a huge charity and we can't help everyone who needs us. We need every young person with cancer to have access to specialist support, no matter where they live and the fundraising you have done will help us get closer to achieving our goal.

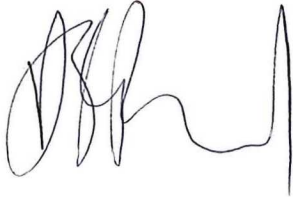

#### **There are many ways you can stay involved with Teenage Cancer Trust:**

- Take on another challenge and recruit your friends, family or colleagues to take it on with you. Visit [teenagecancertrust.org/challenges](http://teenagecancertrust.org/challenges) to see what we do
- Nominate Teenage Cancer Trust for your company's charity of the year or if you're still in education or have children who are, you could encourage the school, college or university to have a free cancer awareness session from our education team. Visit [teenagecancertrust.org/education](http://teenagecancertrust.org/education) to find out more
- Make a regular gift to Teenage Cancer Trust or consider us when making or updating your will. Please call 020 7612 0370 if you'd like to talk to someone about this

Thank you so much and I hope you choose to continue to support us in the future.

Yours sincerely
