Dear Dr Beardmore

I am writing to say a huge thank you for the wonderful donation of £2,000 we received recently from Penguins Against Cancer, towards our work with people affected by lymphoma. We are honoured to receive this gift in memory of Tim Bates and cannot thank you enough for this kind support, particularly at this time of uncertainty when our support resources are being called upon even more than usual.

This donation will be used to help provide our much needed information and support services for people affected by lymphoma, in particular the provision of our helpline offers vital emotional support and advice for anyone affected by lymphoma.

The continued support of Penguins Against Cancer is invaluable to Lymphoma Action and will make a real difference to the families that receive a lymphoma diagnosis - enabling them to reach the information and support they need, when they need it most. I look forward to being able to report to you as to the impact that your generous donation has had for our beneficiaries.

Once again, thank you for helping us make sure that no-one has to face their lymphoma alone.

Yours sincerely

Karen Rabjohn
