Dear Havens Hospices,

Please find enclosed a cheque for £2,000 from Penguins Against Cancer, a charity set up to raise awareness of cancer and to provide support to cancer research and treatment organisations, and hospices. This grant is specifically provided to directly support those nearing the end of their lives due to cancer. It follows the £3,000 grant we sent to Fair Havens Hospice in July 2019.

This grant was proposed by Lucile and Paul Palmer, longstanding and generous PAC supporters. Lu and Paul had organised a table for the May Ball, in aid of Havens Hospices, which was of course cancelled in light of the C-19 crisis. The grant has been made possible by some excellent fundraising efforts in April and May by our friends and members. Their efforts were linked to another cancelled event – the London Marathon. In its stead, many of us engaged in a variety of feats and challenges with a 26 or 2.6 connection; for some that involved miles run, for others, eggs consumed!

We wish you well in your ongoing vital work at this challenging time. If you wish to know more about our charity please visit our website: www.penguinsagainstcancer.org.uk.

We would be grateful if you would confirm receipt of this letter and indicate how you intend to spend the grant.

With very best wishes

Yours sincerely
