*Kicking Cancer Into Touch!*

8<sup>th</sup> September 2023

Dear Macmillan Cancer Support,

We enclose a grant of **£5,000** from Penguins Against Cancer (PAC) to you, to be used to fund then excellent work you do and specifically to support those living with liver cancer or lymphoma.

Penguins Against Cancer (PAC) is a registered charity set up to raise awareness of cancer and to provide support to cancer research and treatment, and hospices. PAC is run purely by unpaid volunteers and has zero running costs (all expenses being met by individual PAC Members). Further detail is available at our website: [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) under 'Events'. Please visit it and let us know what you think.

This grant was proposed by David (Dai) Evans, Lee Tuxford and Immie Gush. It has been made possible by Dai Evans and Lee Tuxford participating in the Rob Roy Mighty Hike. Yasmin Robins will also be running in a Macmillan half marathon in February 2024.

The grant is dedicated to the memory of **Neil Robins**, Yasmin's father who very sadly died from cancer in 2021, before Yasmin's 18<sup>th</sup> birthday, and to Yasmine's Mum, **Tara**, who is currently battling cancer. Macmillan have greatly helped the Robins family through both illnesses for which we are all incredibly grateful. The grant is also dedicated to numerous family and friends of both Dai and Lee: some battled with cancer and survived, some were sadly lost.

We wish you every success in the superb work you do supporting those living with cancer. We would be grateful if you would confirm receipt of this letter (by letter) and detail on how this grant will be spent.

With Very Best Wishes from the Penguin community.

Yours sincerely

**Charlie Beardmore**  
President

**Vice President**

On behalf of the Officers, Trustees and Members of Penguins Against Cancer
