Kicking Cancer Into Touch!

25th May 2021

Dear Prostate Cancer Research,

I enclose a grant of **£4,000** from Penguins Against Cancer (PAC) to you, to be used to directly support to your ongoing vital work in Prostate Cancer Research. This grant was proposed by **Nick Gibbins**, one of our strongest supporters, who raised the vast majority of the money himself by recently undertaking a punishing attempt on the World Burpee Record. Unfortunately Nick did not break the overall world record but did get the Masters World Record (over 40s) and the British Record. He was really pleased that so many people followed his journey up to the attempt and donated to Prostate Cancer research, a subject close to Nick and his family.

Penguins Against Cancer is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. We aim to continue to stage numerous sporting and social events (once COVID-19 allows) with the aim of making altruism fun. Further detail about Penguins Against Cancer is available at our website: www.penguinsagainstcancer.org.uk. Please visit the website and let us know what you think. It is designed to project a positive outlook. We hope you enjoy it.

We would be most grateful if you would acknowledge receipt of this letter and let us know how the money has been spent.

With Very Best Wishes and continuing Good Luck with the superb work you do.

Yours sincerely
