

Penguins Against Cancer

In November 2013 Penguins Against Cancer was founded as a small charity to help provide support to cancer research, treatment organisations and hospices. To date it has raised more than £107,000. PAC, whose membership is much wider than the Penguins XV has zero administrative costs and is a registered charity (no 1 159 905). It sports numerous sporting and social events to raise awareness and funds for the fight against cancer.

Guy's Hospital Rugby Football Club

The world's oldest Rugby Club

175th Anniversary Season 2018-2019

Saturday, 17th November 2018

13:00 Penguins vs Blackheath Vets

14:15 Guy's All Stars vs United Hospitals

At Guy's Hospital Athletic Ground

Brockley Rise, Honor Oak Park

175th Anniversary Season

Welcome to this 175th Anniversary day of Guy's Hospital Rugby Football Club, the oldest rugby club in the world.

We have two fantastic games with the Guy's Penguins vs Blackheath Vets in the oldest rugby fixture. Then our first XV take on a UH team. The club continues to prosper in the modern era and we look forward to catching up with old GHRFC members and friends over the weekend. We continue to play a high standard of open rugby preserving traditions of the game,

My thanks to Ben Thorpe, Alex Arbis and all the committee members for making today possible, and to all those sponsors of the club. It is a great honour to take over the presidency of this amazing club and I look forward to seeing you all this weekend both on and off the pitch.
