Dear Cancer Research UK,

Please find enclosed a cheque for £800 as a donation to you, from Penguins Against Cancer, a small charity set up to raise money for cancer research and treatment, and hospices. This donation has been made possible following the dinner held on 26th March 2014, to celebrate the distinguished medical and sporting career, and mark the retirement of Dr Terry Gibson FRCP, the eminent Guy's Hospital physician, and our Emperor Penguin.

This donation, coupled to that made in 2012 via justgiving.com, means that the Penguins have now donated in excess of £1,000 to Cancer Research UK.

We wish you every success in your ongoing vital work to make advances in diagnosis, investigation and treatment of cancer.

I would be grateful if you would confirm receipt of this letter.

Yours sincerely

Graham Hill, on behalf of:

Officers, Trustees and Members of Penguins Against Cancer
