Dear Sirs

On behalf of Frimley Health Charity, I'd like to thank you so much for your continued support of Frimley Park Hospital at this challenging time and for your generous donation of £3,000.00. that will go towards Chemotherapy Day Unit as requested.

Thanks to your donation we can improve patients' lives by buying extra equipment, improving the environment in which care is given and investing in research as well aiding the mental wellbeing of our NHS staff working when they need it most. That's why we are grateful for the huge kindness of people like you, which helps the hospital offer a level of care beyond that which the NHS alone can provide.

We are currently seeing a situation that is unprecedented. But amidst the worry and concern that so many are feeling, one constant is the remarkable work of our hospitals and our incredible NHS staff who are working on the frontline under extreme pressure. The situation we are dealing with is unpredictable and evolving with the hospitals needing to react quickly to changes as they happen daily. Your donation today will allow us the flexibility to do just that.

For more information about the impact your donations are making or about us a charity please visit [frimleyhealthcharity.org](http://frimleyhealthcharity.org). Alternatively, do not hesitate to call us on 01276 604642 or emailing [fhft.fundraising@nhs.net](mailto:fhft.fundraising@nhs.net) if you have any questions. Once again a sincere thanks for your support.

Yours faithfully
