Dear St Wilfrid's,

I enclose a grant of £8,000 from Penguins Against Cancer to you, to be used to provide palliative care in your excellent institution. Penguins Against Cancer is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. We continue to stage numerous sporting and social events with the aim of making altruism fun. The enclosed grant, proposed by Andy Skyrme and Pat Gush, was made possible by the extraordinary generosity of those who attended the **2016 PAC Golf Tournament**, superbly organised by Andy and Pat.

This grant is in memory of Sarah Scott (Andy is a good friend of Alistair Scott) whom you looked after before she passed away in July 2016.

Penguins Against Cancer is a registered charity set up to raise awareness of cancer and to provide support to cancer treatment, cancer research and hospices. Further detail about Penguins Against Cancer is available at our website: penguinsagainstcancer.org.uk - please visit it and let us know what you think. (I am led to believe that there may be a report of the Golf Day hung there imminently once the organisers have taken pen to paper. In the meantime, the following is the only account available: *"There were a number of outstanding drives, chips, putts and Mulligans throughout, following the Shotgun start. As well as birdies, eagles and albatrosses, the more agricultural golfers developed their own lexicon. The day raised a lot of money."*)

We would be most grateful if you would acknowledge receipt of this letter and let us know how the money has been spent.

Best Wishes and Good Luck with the superb work you do.

Yours sincerely,

Dr Charlie Beardmore

Penguins' President
