*Kicking Cancer Into Touch!*

12<sup>th</sup> September 2022

Dear Sam Beare Hospice,

We enclose a grant of **£3,000** from Penguins Against Cancer (PAC) to you, to be used to provide palliative care in your excellent institution.

Penguins Against Cancer (PAC) is a registered charity set up to raise awareness of cancer and to provide support to cancer research and treatment, and hospices. PAC is run purely by unpaid volunteers and has zero running costs.

Following COVID lockdown, PAC continues to stage numerous sporting and social events, with the aim of making altruism fun. This donation has been made possible following a sponsored cycle ride by the Penguin Peloton (21 riders with a combined age in excess of 1,000 years) from Guy's Hospital Tower, London to the Eiffel Tower, Paris in June 2022 which raised over £47,000 for PAC. Further detail is available at our website: [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) under 'Events'. Please visit it and let us know what you think. The enclosed grant, proposed by Sarah Hill, is in memory of Vicky Myburgh, and was made possible by the extraordinary generosity of PAC supporters.

We wish you every success in the superb work you do.

We would be grateful if you would confirm receipt of this letter and detail on how this grant will be spent.

With Very Best Wishes from the Penguin community.

Yours sincerely

President
