Dear Tara,

Please find enclosed a cheque for £1,000 for your organisation from Penguins Against Cancer (PAC), a charity set up in 2013 to raise awareness of cancer and to provide support to cancer research and treatment organisations, and hospices.

This grant, proposed by David Littlejohns (our Webmaster), is in honour of Alison Harris, who recently and very sadly succumbed to ovarian cancer; it is also in support of her husband, Mark, and her sister-in-law, Debbie Cook, who organised her own magnificent “**Salute For Alison**” fundraising.

PAC fundraising activities are many and diverse, and all our events are designed to be both altruistic and fun, celebrating memories and achievements, rather than mourning loss (many of our members have lost family and/or close friends to cancer). If you wish to know more about our charity, please visit our website: www.penguinsagainstcancer.org.uk and let us know what you think.

We wish you and your staff every success in your continuing battle against ovarian cancer and hope that your efforts continue to help alleviate the worst of this dreadful condition.

We would be grateful if you would confirm receipt of this letter and indicate how you intend to spend the grant.

With Very Best Wishes from the whole of the Penguin Flock.
