Dear Debbie,

Please find an enclosed cheque for £2,000, as a grant from our charity, Penguins Against Cancer (PAC), to Headstart. This is in addition to the £1,000 grant we sent you in November 2016. This grant, proposed by Chris and Ann Howell, was made possible by the outstanding generosity, amongst others, of: Pete Davis, Cameron and Caroline Small, Jeremy 'Wocca' Worth, Greg Ryan, Wayne Llewellyn, Tommy Knight and Susannah Roughton. It is to support the aid you give to Patients and their Relatives who have needs following diagnosis, treatment and late effects of Head and Neck Cancer.

PAC arose from the Penguins, an ageing, some would say almost antique, rugby team associated with Guy's Hospital RFC. The late, great Paul Scanlan, who was a Consultant Orthodontist at Medway Hospital, was a founder member of the team. PAC is a registered Charity, setup to raise awareness of cancer and to provide support to cancer treatment, cancer research and hospices. We continue to raise money by participation in social events, games of rugby, golf days, sponsored runs and croquet matches to name just a few. Further detail can be found on our website, penguinsagainstcancer.org.uk, which you may wish to visit.

We would be grateful if you would acknowledge receipt of this letter and indicate how you intend to spend the grant.

Best Wishes from all the Penguin flock.

Yours sincerely
