Dear Frimley Health Charity,

I enclose a grant of £2,000 from Penguins Against Cancer to you, to be used to provide support to the Chemotherapy Day Unit, specifically to provide support to patients receiving treatment for cancer at Frimley Park Hospital.

Penguins Against Cancer (PAC) is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. We continue to stage numerous sporting and social events with the aim of making altruism fun.

The enclosed grant, proposed by Charlotte Beardmore, a PAC Trustee, is made in direct support of a dear friend of ours and PAC supporter, Sarah Hill, and was made possible by the extraordinary generosity of our excellent supporters.

Further detail about Penguins Against Cancer is available at our website: [penguinsagainstcancer.org.uk](http://penguinsagainstcancer.org.uk). Please visit the website; it is designed to project a positive outlook. I hope you enjoy it.

I would be most grateful if you would acknowledge receipt of this letter and let us know how the money has been spent.

With Very Best Wishes and continuing Good Luck with the superb work you do.

Yours sincerely
