26th September 2022

Dear Mr Beardmore, Mr Gush and all at Penguins Against Cancer,

On behalf of everybody here at St Christopher's I would like to thank you for your generous donation of £3,000 which was sent to us on 12th September. We are incredibly grateful your many years of generosity which has helped us to continue providing Outstanding care to thousands of people living with life limiting illnesses in South-East London every year.

We would also like to thank Mr Gush for proposing this grant and acknowledge the hard work and generosity of Paul Harwood. We ask that our sincerest gratitude be passed on to him.

The need for donations such as these has never been greater as we adapt to a post-Covid world and an economic situation that has seen many of our fundraising streams affected.

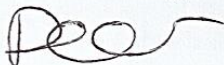

In March 2023 we are launching a fundraising campaign called 'What Matters Most' which seeks to raise £1,000,000 of core funding for the Hospice. We are encouraging our community to donate £500,000 in a single weekend which will be match funded by Trusts and Foundations, Corporate sponsors and other supporters of St Christopher's. We are currently seeking match funders and, if you deem it appropriate, we would like to ask that your generous donation be put towards this campaign, in the hope that it would encourage others in our community to donate and increase the value of your gift.

If not, we are more than happy to restrict this donation to an element of our care that is of interest to you, whether our Community Nursing, Inpatient Care, new medical equipment or a more specific project such as our Child Bereavement service.

Please feel free to contact me on J.Harrison@StChristophers.org.uk if you have any questions or would like to discuss this further.

Thank you again for your generosity - it is appreciated greatly by everybody here.

Yours sincerely,

Jonathan Harrison

Trusts and Foundations Manager
