Dear Dr Beardmore

On behalf of our Patron HRH Princess Alexandra, our CEOs, Shaun and Heather and most importantly the patients and their families from St Christopher's I would like to express the enormous gratitude to everyone at Penguins Against Cancer for their tremendous support in the amount of £2,000 following your annual charity golf day. Please pass on our special thanks to Paul Harwood and Pat Gush for their hard work.

This £2,000 will be spent where there is greatest need, but please be assured that it will directly contribute to the care of those near the end of their lives. We provide direct care for 3,000 people per annum, both within our wards and in our community. With only one third of our funding coming via the NHS, and with the whole funding backdrop in a state of flux, we do have our work cut out for us, which is why we are so grateful for such generous-spirited supporters as Penguins Against Cancer.

If you could ever spare the time to visit St Christopher's we would be delighted to show you first hand where your support will have helped. In the meantime please find enclosed a copy of our annual report and accounts so that you can get a more in depth idea of our work.

*Yours sincerely
Anna*
